3. Fax completed order form with all required documentation listed below to 718-443-5000.

Required Documentation Checklist

If we do not receive all documents below with your referral, the order is subject to delays.

**It may take up to 14 business days for the patient's insurance company to approve or deny our authorization request.*

- ☐ Completed Medication Order Form
- ☐ Patient Demographics
- ☐ Current Medication List and H&P
- ☐ Recent Visit Notes
- ☐ Lab Results
- ☐ Patient's Insurance Card
- ☐ Existing Prior Authorization (if applicable)

How to Use Our Digital Order Forms

Upon downloading the desired form, you will see light blue text box, check box, and circle box fields appear. To fill out the form on your computer, click into these fields to type out the necessary patient, office, clinical history, and therapy administration information. You can copy/paste information from the patient's medical record into this form.

Gather the referring provider's signature to approve the order once you have filled out all fields and send to Prime Infusions via fax at 718-443-5000.

Prescription Requirements

Please be advised that infusion order forms do not serve as valid prescriptions and may not be used as a substitute for one. In accordance with New York State law, a valid prescription must be transmitted electronically or faxed using an official New York State prescription format.
